INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants hereby voluntarily discloses seven (7) references listed on the attached Form PTO/SB/O8A to the Commissioner for Patents. Copies of the foreign patents and literature references listed on Applicants' Form PTO-SB-08A are enclosed herewith. A copy of the International Search Report citing the references is also enclosed.

This Information Disclosure Statement is being submitted prior to the mailing of a first Office Action on the merits of the application. Accordingly, it is believed that no fees are due. However, should any fees be due, the Patent Office is hereby authorized to charge Deposit Account No. 09-0528. A duplicate sheet is enclosed for this purpose.

Applicants note that two documents, F2 and F6 are foreign language documents with no apparent English equivalents. Document F2 is a German language document that appears to relate to gastric juice-resistant, soft gelatin capsules with a wall consisting of gelatin and a polymer (salt), optionally with surface crosslinking, according to an English title provided by DERWENT and available from the THOMSON/DELPHION database. Document F6 is also a German language document that appears to relate to a capsule for applying active substances, comprising at least one macromolecule which is soluble in aqueous liquids and/or decomposes

rapidly, or a mixture of at least two such substances, according to an English abstract provide in the international published application.

Applicants further reserve the right to establish the patentability of the claimed invention over any of the listed information should they be applied as references, and/or to prove that some of the cited information may not be prior art, and/or to prove that some of the cited information may not be enabling for the teachings they purport to offer.

This statement should not be construed as a representation that a search has been made, or that the information cited herewith is material, or that there does not exist information more material to the examination of the present Application. The Examiner is specifically requested not to rely solely on the information submitted herein. On the contrary, the Examiner is requested to conduct an independent and thorough review of all available information, and to form independent opinions as to its significance.

It is respectfully requested that the Examiner initial and return copies of the enclosed PTO-SB-08 and to indicate in the official file wrapper of the above-identified patent application that each item of the cited information has been considered.

Respectfully submitted,

Date: Sept 16, 2005
